## JM EPDM FIT Self-Adhered 60 NR 10'x100'

Johns Manville is pleased to announce the addition of **JM EPDM FIT SA 60 NR 10'x100'** to our portfolio. The cured EPDM membrane features a self-adhered backing, 3" factory in seam tape, and an installation temperature down to 20°F! No primer or additional adhesive is required for any approved horizontal substrates. This new product has a split release liner, can provide up to 3x faster installation than traditionally adhered EPDM, and has the exceptional lay-flat capabilities that customers have come to expect from Johns Manville.

The new JM EPDM FIT SA is available for shipment the week of October 1<sup>st</sup>, 2024. JM EPDM FIT SA is stocked in Norwalk, OH, Hazleton, PA, and Rockdale, IL warehouse locations to support the Midwest and Northeast regions. Please refer to the installation guide and flashing details for specific requirements and procedures below.
